Ring Semi Flush Ceiling Light

By CVL Luminaires

Description

The Ring Ceiling Light was inspired by the 1960s with its unique shape and design. Available with a Satin Graphite outside / Satin Brass inside, Satin Brass outside / Satin Graphite inside, Satin Graphite outside / Satin Nickel inside or Satin Nickel outside / Satin Graphite inside bi-finish options or a Satin Brass, Satin Graphite, Satin Nickel, or Satin Copper mono-finish option. All options feature Satin Brass details around the edge of the fixture connecting the two pieces of metal that make up the fixture. A polycarbonate diffuser in white give the light a soft ambient glow above and below the fixture. Includes a 11.8 inch downrod. Integrated power supply in canopy. UL listed.

Shown in satin graphite / satin brass / white
