## Tekio Horizontal Pendant

By Santa & Cole

### Description

The Tekio Pendant with Circular Canopy merges ancient artisan techniques with modern technology to deliver the avant-garde in contemporary lighting. Inspired by traditional Japanese lanterns, the Tekio's Washi Paper body is resilient and ductile, even malleable. Once illuminated, the integrated LEDs with Warm Dim technology boasts a warm texture that filters in a soft, gentle light. Configured with Rectangular or Circular Canopy. Use a dry cloth to wipe the shade. The paper is treated with wax, making it easier to clean than untreated washi paper, but a wet cloth should not be used.

Shown in white / japanese washi paper

### Specifications
