## LED-Ginger Mini Wall / Ceiling Light By Marset

### Description

Paying homage to 1960s rock legend, Ginger Baker of Cream, the Ginger Wall Scone is an extraordinarily lightweight disk just 4 mm thick due to the high-pressure shaping of materials. Available in pressed wood combinations: Oak/Oak or Wenge/Wenge, wood and metal combinations: Oak/White or Wenge/White, or metal combinations: Black/White, Brushed Brass/Brushed Brass, Mauve, Sand, or Stone. All options feature a matte black finish reflector cover. First finish refers to the shade color and the second color is the inside reflector finish (concave side). Use alone or grouped together for an individual look.
