DESCRIPTION

The Milana Counterweight Pendant's design starts with the deconstruction of the archetype of a lamp, by synthesizing it as much as possible bringing it to only the necessary elements. The counterweight allows you to quickly and easily adjust the position of the pendant. Includes dimmable LED module and driver. Available in two sizes with a White, Black, Beige, Grey, or Red aluminum finish shade with a polycarbonate diffuser. UL listed. NOTE: CANOPY IS RECESSED AND REQUIRES A REMOTE LOCATION FOR LED DRIVER.
