DESCRIPTION

The Txl Indoor/Outdoor Floor Lamp was designed with a new material that better withstands adverse weather conditions while still maintaining a solid and resilient look. The base is made of poured concrete giving it a clean and one piece look. Concrete base and stainless steel stem. Shade made of textilene with the inner part always in white. Diffuser in white acid etched glass. Available in two sizes with a Concrete base and Grey or Beige colored shade. UL listed, wet locations.

Shown in: Concrete / Beige
