## Cane Floor Lamp

By AlexAllen Studio

### Description

The Cane Floor Lamp, AlexAllen's first foray into portables, combines sleek geometry with practicality. Inspired by the Chord collection, Cane features a curved steel armature that encloses an LED light source, producing a warm glow. The cordova shell limestone base serves as a counterbalance, adding both texture and stability. The final result is an exquisite floor lamp that is not only sculptural but also highly functional and elegant.

Shown in blackened steel
