## Calypso Martinique Outdoor Pendant By Contardi

## Description

The Calypso Martinique Outdoor Pendant is a collection of lamps inspired by the forties. They show a connection with the tropical and Southern American world, where the European deco style, characterized by geometric lines and black and whites, is twisted and revitalized thanks to bright colors, patterns, and twine. Includes a moss green waterproof braided suspension cord. Note: The fabrics used for the outdoor collection are waterproof and/or water repellent. The 27.5 inch size is only available in Yellow Multi color.
