## Carpa Floor Lamp

By Forestier

## Description

The Carpa Floor Lamp brings a refined, industrial edge to a variety of large interior spaces. Rising from a simple round base plate on a curving metal stem is the Carpa's saucer shade that's made from thin wires woven through the frame. A small cotton diffuser blocks the bright light from below and creates a pleasant glow throughout its surroundings. On/off switch located on the lamp's cord. UL listed.
