DESCRIPTION

The Antenna Table Lamp gets its daring design by transforming a traditional goblet into a stunning example of contemporary lighting. A smooth metal cylinder rises up and then expands out into a series of interwoven iron bands that shines with textural depth and intricate detail. Place the Antenna on your desktop to complete your aesthetic. On/off switch located on the lamp's cord. Finished in Black, Champagne, Taupe, Pink Gray or Light Gray. Available in three sizes. UL Listed.
