## Cymbal Pendant

By Forestier

### Description

The Cymbal Pendant combines geometric design with texture driven materials to deliver an airy, calming presence to your interior. Two broad, inverted cones meet on their open ends and lend to the Cymbal's namesake. A fantastic fabric texture highlights the Cymbal's top, while a splash of direct downlight is created through an open base on the bottom of the pendant. Canopy diameter 4.5 inches. Finished in Evergreen, Rose Powder, Atlantic, Midnight, Bronze, Natural, and Gold. Available in three sizes. UL listed.
