Matrix Rectangle Pendant

By Forestier

Description

The Matrix Rectangle Pendant's dynamic profile is created by blending multiple materials in order to create an elevated texture that works well in a number of spaces. Metal and fabric join forces in a multilayer fashion to give the Matrix a contemporary edge, while a single lamp resting at the center of the fixture provides a warming, ambient glow. Place this chandelier over the dining table and complete your aesthetic. Layered from three abaca (hemp) shades in Black, White and Natural. Canopy diameter 4.5 inches. UL listed.
