Gravity Pendant

By Forestier

Description

The Gravity Chandelier elegant and artful profile is a sure fire way to modernize the space it surrounds. Constructed of metal, the Gravity's series of horizontally stacked wire discs face upward and downward to amplify the fixture's LED illumination while a slender pendant drops from its center to emit a focused beam of downward light. Finished with Black or Champagne and available in three sizes. Each pendant includes a 120 volt LED module for general illumination and MR16 GU10 base LEDs for downlight.

Specifications
