DESCRIPTION

The Chanpen Hexagon Desk Lamp resembles the beauty of a full moon. A handmade spherical shade is woven from abaca, a banana tree fiber, and forms an engaging, geometrical pattern along the round surface. Rooted with a marble base, the Chanpen's contemporary design works well in modern interiors. On/off switch located on the lamp's cord. Finished with White, Black, or Natural shade and with either a Copper or Gun Metal stem. UL listed.

Shown in: Gun Metal / White

SHADE COLOR	White
BODY FINISH	Gun Metal
WATTAGE	8W
DIMMER	N/A
DIMENSIONS	10.2"W x 41.3"H
BULB NOT INCLUDED
