Chanpen Hexagon Floor Lamp

By Forestier

Description

The Chanpen Hexagon Floor Lamp resembles the beauty of a full moon. A handmade spherical shade is woven from abaca, a banana tree fiber, and forms an engaging, geometrical pattern along the round surface. Rooted with a marble base, the Chanpen's contemporary design works well in modern interiors. On/off switch located on the lamp's cord. Finish in Copper or Gun Metal with a White, Black, or Natural shade. Available in two sizes. UL listed.
