Disc II Ceiling Fan

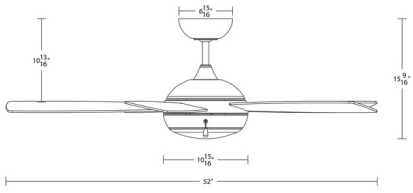

By WAC Lighting

Description

The Disc II Ceiling Fan features a clean and simple design with five blades and an integrated LED light. The new and improved version of the Disc Ceiling Fan contains an integral memory feature that will return the fan and light to previously known settings when toggled on/off with the wall switch. Available with a Brushed Nickel, Matte Black, or Matte White finish complemented by matching blades. Pull chain operation with reverse switch. LED light kit can be controlled by pull chains a separate On/Off switch, and is dimmable with Low Voltage Electronic or Triac dimmer. ETL listed. Title 24 compliant. Energy Star rated.

Shown in brushed nickel / brushed nickel
