Manette Monorail Pendant

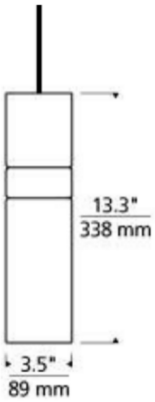

By Visual Comfort Modern

Description

The Manette Monorail Pendant features simple cylinder with a die-cast metal band connecting separate upper and lower hand-blown glass pieces, giving the impression of one continuous body. Your choice of upper and lower color combinations allow opportunity for incredible personalization. LED light sources simultaneously light up and down to evenly illuminate the glass while contributing both direct and indirect illumination. Compatible for use with 1-circuit track system. Includes 16 feet of field cuttable suspension cable and a Monorail connector. ETL listed. Dimmer type dependent on system transformer.
