Fanaway Montclair Retractable Ceiling Fan

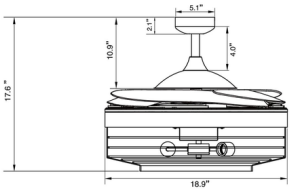

By Beacon Lighting

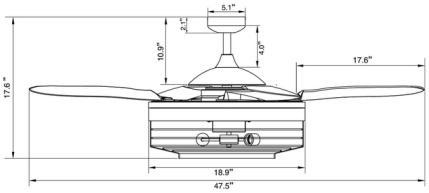

Description

The Fanaway Montclair Retractable Ceiling Fan is an advanced ceiling fan with unique aesthetics and design. Switched off, the traditionally intrusive fan blades automatically retract and conceal, transforming the unit into a modern industrial pendant. Turning the fan on creates a centrifugal force deploying the blades to circulate air in the room. Includes three dimmable LED bulbs, a 5 inch downrod, a 3-speed remote control and wall mount, and winter/summer mode (manual switch). Optional downrod lengths sold separately.

Shown in black / koa / smoke
