Bau Linear Pendant

By Visual Comfort Modern

Description

Inspired by the Bauhaus movement, the generously sized Bau Linear Pendant is an eye-catching geometric statement piece made of two arc-shaped stamped metal plates. Integrated LEDs shine out from between the plates, providing ample indirect illumination. Dimmable with a TRIAC or ELV dimmer. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish. Note: Requires a junction box that supports a minimum of 150 lbs.
