Birdie Lettura LED Floor Lamp

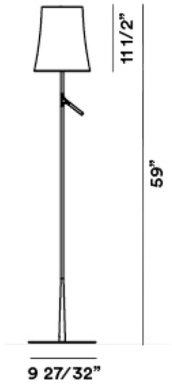

By Foscarini

Description

The Birdie Floor Lamp is inspired by nature and is a reinterpretation of the classic lampshade lamp with a contemporary twist. The slim stem recalls the trunk of a tree with a touch dimmer sensor located on the tip of the rod arm and allows the gradual adjustment of the luminous intensity. Whether beside an armchair or a sofa in the living room, on the desk in the study, on a bedside table, or in any other room of the house, Birdie fits in naturally and accompanies everyday life with a pleasantly stylish presence.
