## wUndercab CCT Select Under Cabinet Light By Bruck

### Description

The wUndercab CCT Select Under Cabinet Light is a low profile LED line voltage under cabinet light offered in 120V. It is offered in 5 lengths to accommodate standard under cabinet sizes. wUndercab has zero pixilation with premium and efficient opal diffuser for even illumination. This direct wire or plug in under cabinet task fixture can be directly connected or with a flex connector available in lengths from 6 inch to 72 inch. Easy access key hole door with knockouts. Linkable up to 300 watt. Selectable CCT allows you to switch between 3000K, 3500K, and 4000K color temperature. One MC flex connector and one end to end connector are included per fixture. ETL listed.

Shown in white
