Paget Chandelier

By Eurofase

Description

The Paget Chandelier is a suspension of glass illuminated by LED lights. Pieces of handmade sugar glass are layered in a unique ripple effect and encased in a slab of clear glass, forming a one-of-a-kind work of art that offers a creative element for your space. The lights can be hung at varying heights to change the overall design. Dimmable with a TRIAC dimmer. Note: The 28.75 inch and 39 inch width chandeliers require a junction box rated for fixtures weighing over 50 pounds.

Specifications
