Viceversa Pendant

By kdIn

Description

The Viceversa Pendant's dreamlike design effortlessly creates a vibrant scene in your contemporary space. Crafted with greenery in mind, the Viceversa is an act of balance. From the mouth-blown glass, integrated LEDs light up your space while adding drama. Place in the entryway to make a grand statement, or over the dining table to complement your aesthetic. Available with one or two lights, an integrated LED is mounted on the top of the fixture and faces downward while the glass diffuser may be placed at the top facing downward or at the bottom facing upward, acting as a planter. Canopy diameter 7.9 inches. CE listed. NOTE: plants not included.
