Easy Peasy Portable Table Lamp By LODES

Description

The Easy Peasy Portable Table Lamp is like a set of friendly characters reminiscent of dolls. Portable and rechargeable, these lamps reflect their name with a playful spirit. With an aim for minimal elegance through rounded shapes and eclectic color combinations these lamps add warmth and character to any environment. Features a Warm Dim effect (2700K to 3300K color temperature) with colored glass and a methacrylate diffuser filtering the light. The shade sits slightly loose on the lamp to reduce possible breakage if the lamp gets toppled. On top, a rounded pommel allows to turn the lamp on and off and to dim the intensity and warmth of the light. Available in Chestnut with a Brushed Palladium finish, Flamingo with a Brushed Bronze finish, Kelp with a Brushed Rose finish, or Lagoon with a Brushed Gold finish. ETL listed, energy saving.
