LeatherLuxe DC Ceiling Fan

By Modern Fan Co.

Description

The LeatherLuxe DC Ceiling Fan features a clean and simple design with a multitude of options allowing you to fit your fan to your current home decor scheme. Featuring a powerful reversible DC motor constructed of die cast aluminum with a leather covering around the motor and combined with three blades made from solid wood. Available in a Gloss White / Ivory leather, Graphite / Gray leather, Dark Bronze / Tan leather, Dark Bronze / Chocolate leather, or Dark Bronze / Black leather finish options complemented by Ebony, Graywash, Mahogany, Maple, or Whitewash blades. Options available with or without an integrated light kit that features an opal glass diffuser. Control options include, Wall Control, Remote Control, or a Combination of the two controls, all of which utilize dedicated RF channels to avoid interference with other ceiling fans installed nearby. Includes one 3 inch and one 14 inch downrod. Can be installed on slopes up to 33 degrees, adapter available for slopes up to 45 degrees (sold separately). ETL listed. Title 24 compliant. JA-8 compliant.
