Guise Ceiling Light

By Vibia

Description

The Guise Ceiling Light has a light that emanates from the lamp's own piece of glass while remaining hidden, evoking a luminous presence that is fluid and magnetic. Available with a Graphite finish complemented by a Clear glass shade. Includes CV-Constant voltage 90-305V 50/60Hz driver. The glass shade is made of borosilicate and it is typical to have small air bubbles that do not affect the quality or the resistance of the glass. UL listed.
