Circular 3 Ring Pendant

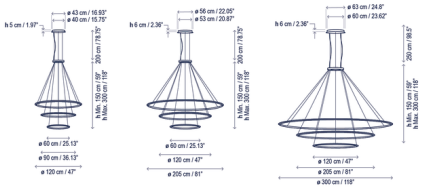

By LedsC4

Description

The Circular 3 Ring Pendant offers beautiful illumination and contemporary yet timeless style, achieving maximum expression with minimal materials. Its thin metal hoops are fitted with LEDs that glow through polycarbonate diffusers. This versatile piece is perfect for lighting larger spaces of high architectural value. The rings in varying diameters create visual drama, and can be suspended askew for an added dynamic effect. Available in three sizes: 47 inches (model S/3L/120/90/60), 81 inches (S/3L/200/120/60), and 118 inches (S/3L/300/200/120). Note: The 118 inch diameter pendant requires a junction box rated for fixtures weighing over 50 pounds.
