IC Double Wall / Ceiling Light

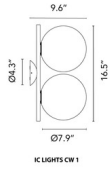

By FLOS

Description

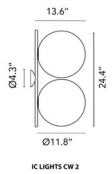

Elevate your walls or ceilings with the captivating symmetry of the Flos IC Double Wall / Ceiling Light, another masterful creation by Michael Anastassiades. This elegant fixture expands on the beloved IC series, featuring two perfectly balanced opal glass diffusers that emanate a soft, diffused light, bringing a sense of tranquil harmony to any space. The spheres are gracefully suspended from a sleek steel frame, available in a choice of sophisticated finishes.Designed to be both functional and a sculptural art piece, the IC Double is available in two sizes, allowing you to select the perfect scale for your application. Whether illuminating a hallway, accenting a living room, or providing ambient light in a bedroom, this fixture creates a beautiful interplay of form and light, adding a touch of contemporary elegance to both residential and commercial interiors. Its harmonious design and diffused glow make it an ideal choice for creating a serene and inviting atmosphere.
