

BRAND Hunter Fan

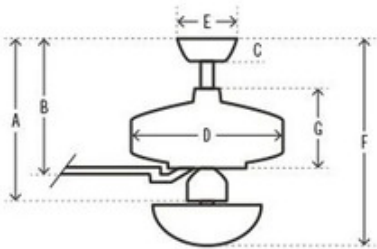

DESCRIPTION

The Leti Ceiling Fan features carved wood blades and a captured blade design that has a chameleon effect allowing it to take on the style of any room and enhance the look. Three blades set at a 12 degree pitch combined with a three speed reversible WhisperWind motor gives you the airflow you desire without the unwanted noise. Includes a wall control for easy speed and lighting adjustments as well as a 4.5 inch downrod and integrated light kit. A three point mounting system allows for standard, low, and angled mounting. ETL listed.
