Celeste Chandelier

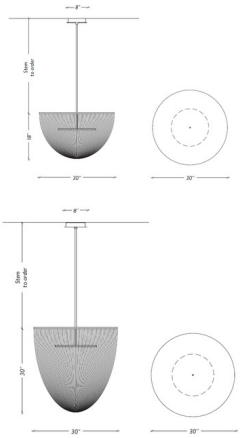

By Larose Guyon

Description

The Celeste Chandelier symbolizes lightness and hope for lovers. Taking inspiration from paper lanterns, Larose Guyon's Celeste Chandelier evokes the magic and poetry in motion of floating flames. Constructed of hundreds of jewelry chains and a smooth Acrylic plate, Celeste's soft glow is created by indirect light from the interior that's reflected and scattered through your space. Handmade in Canada. Place this shimmering masterpiece over the dining table to add a decorative element into your decor. Available in two sizes with 12 inch, 18 inch, 24 inch or 36 inch downrods for your perfect hanging height. Warm Dim (2200K-2700K) color temperature. Recommended dimmer: Lutron DVCL-153P, sold separately.
