

BRAND

Big Ass Fans

DESCRIPTION

The Haiku Uplight Indoor Ceiling Fan was designed with homes and small spaces in mind. New Eco Mode makes Haiku the world's most efficient ceiling fan. Using patent-pending technology with Haiku's mobile app, Fan Eco delivers unmatched energy savings and cooling airflow in perfect harmony. Designed for perfect performance, its SenseMe technology works automatically with your preferences to keep the room comfortable with a fleet of sensors and an onboard computer. Works with an iPhone app that works with Nest Learning Thermostat and included IR remote. Features a DC/EC motor with digital inverter drive, hand balanced blades for wobble free operation at all speeds. Includes an uplight located above the blades allowing you to create a subtle mood in your room. Remote control includes ten unique control settings including a sleep and whoosh mode which simulates natural breezes to make you feel cooler. Available with a variety of blade and motor finish combinations. Option of 52, 60, or 84 inch blade span. ETL listed. Made in the USA.
