Excel 4 Inch Round Recessed Panel Light By DALS Lighting

Description

The Excel 4 Inch Round Recessed Panel Light features sleek, low-profile aluminum construction that is both stylish and practical for indoor and outdoor settings. Installation is easy, and the fixture can be daisy chained. Using edge-lit technology, LED light diffused by a frosted lens provides a smooth 360 degree wide spread of ambient illumination. Dimmable with most TRIAC dimmers (see attached manufacturer dimmer reference). Optional accessories sold separately. Color temperature options: CCT Select: The light can be set to 2700K, 3000K, 3500K, 4000K, or 5000K using a switch on the panel wire. 3000K Warm Dim: The light warms from 3000K to 2200K as it is dimmed, mimicking incandescent light. A junction box with an integrated driver is included. Note: Warm dim is only available with the White finish.
