## PH 5 - 4 1/2 LED Pendant

By Louis Poulsen

### Description

The PH 5 - 4 1/2 LED Pendant designed by Ebbe Christensen, Sophus Frandsen, and Poul Henningsen, has a trumpet shaped top shade that provides illumination of the area above the three lower shades, which primarily direct the light downwards. A base reflector and a blue glare ring protect against glare from all angles. The strongest light is directly under the fixture. Available in 120V with Phase dimming and 120-277V with 0-10V dimming.
