Aero Freejack Head

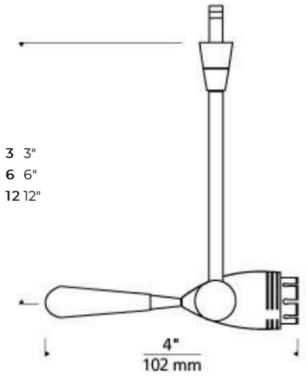

By Visual Comfort Architectural

Description

The Aero Freejack Head is a sleek, streamlined head which rotates 360 degrees and pivots 260 degrees to direct the beam. Available in three stem lengths. The removable handle extension on the back serves as a functional addition assisting with pivots and rotations. Shade accessories allow you to create the ideal custom element. Compatible for use with 1-circuit Monorail track system, Wall Monorail or Freejack canopy. Includes Freejack connector. Freejack canopy required if used as a monopoint, sold separately. LED canopy compatible with both halogen and LED lamp options. Dimmer type dependent on system transformer (low voltage magnetic or electronic). Note: A shade accessory is required, and sold separately.
