## Caribbean Coral Table Lamp

By Regina Andrew

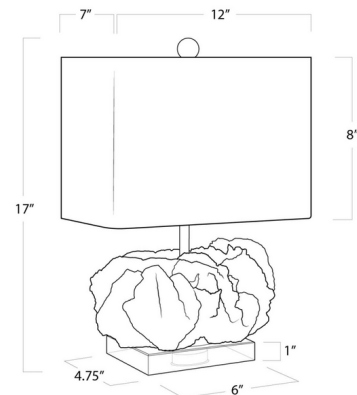

### Description

The Caribbean Coral Table Lamp recreates the beauty of coral using a white resin material. The organically shaped piece is balanced by a crystal base on the bottom and a crisp natural linen shade on top for an airy, coastal design.

Shown in coral / natural linen

### Specifications

|                    |                                            |
