Etat-des-Lieux 1A Pendant

By Darmes

Description

The Etat-des-Lieux 1A Pendant's innovative design pays homage to the scenic mountains and their majestic reflections in nearby waters. Infused with precision and poetry, the Etat-des-Lieux 1A is the only lighting system to feature a wide, flexible, conductive cable that supports the light modules while supplying them with power. A variety of hand blown glass shades will complement virtually any decor. Available in four fixed heights. Supplied with 3000K or 3500K color temperature options which can be used as a fixed color temperature or dimmed to warm (3000K-2200K or 3500K-2200K). Note: Dimmable at 120V with a 0-10V or TRIAC dimmer (contact manufacturer for dimmer when using TRIAC).
