Etat-des-Lieux 3A Pendant By Darmes

Description

The Etat-des-Lieux 3A Pendant's innovative design pays homage to the scenic mountains and their majestic reflections in nearby waters. Infused with precision and poetry, the Etat-des-Lieux 3A is the only lighting system to feature a wide, flexible, conductive cable that supports the light modules while supplying them with power. A triple variety of colored hand blown glass shades will complement virtually any decor. A triple variety of colored hand blown glass shades will complement virtually any decor. Available in two sizes with fixed heights. Supplied with 3000K or 3500K color temperature options which can be used as a fixed color temperature or dimmed to warm (3000K-2200K or 3500K-2200K). Note: Dimmable at 120V with a 0-10V or TRIAC dimmer (contact manufacturer for dimmer when using TRIAC).
