Mizu Pendant

By Terzani USA

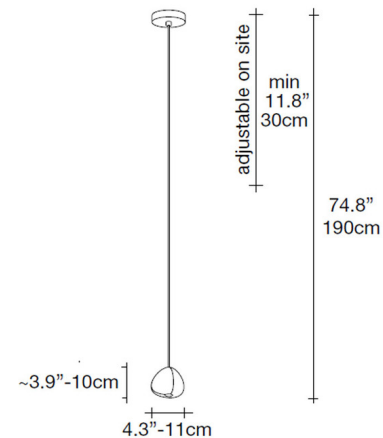

Description

The Mizu pendant, designed by Nicolas Terzani, is a hand-made artistic light inspired by tranquil and mesmerizing light refractions created by water. Like water droplets, no two Mizu fixtures are alike. Each crystal shape is unique. Mizu is made from 24 percent lead, the clearest crystal, and perfectly emulates water's refraction of light creating amazing patterns around a room.

Shown in white / champagne
