DESCRIPTION

The G+T Battery Wall Sconce was born from the idea of portable luxury products that meet specific space and installation needs making this sconce suitable for environments such as yachts, historic buildings, luxury boutiques etc. Available with a Polished Copper or Polished Nickel finish which is complemented by an adjustable arm with a Dark Brown Leather cover. Battery version charges in 5/6 hours and holds a charge for up to 8 hours, USB C cable is supplied but not the adapter. Included dimmer allows for 100-70-30% dimming.
