G+T Portable Task Light

By Contardi

Description

The G+T Portable Task Light was born from the idea of portable luxury products that meet specific space and installation needs, making this sconce suitable for environments such as yachts, historic buildings, luxury boutiques, and more. The metal finish is complemented by an adjustable arm with a Dark Brown Leather cover. A magnet in the base allows the lamp to be easily attached to metal surfaces. Battery version charges in 5/6 hours and holds a charge for up to 8 hours, USB C cable is supplied but not the adapter. Included dimmer allows for 100-70-30% dimming.
