Solstice Chandelier

By Livex Lighting

DAMP

Description

The Solstice Chandelier features simple, curved steel arms topped with a hand-crafted shade finished in oatmeal-colored fabric. The scalloped shape is a decorative alternative to a cylindrical drum shade and brings a sophisticated touch to your space. The 18 inch option has four candelabra base sockets while the 24 inch option has seven lights--six candelabra base sockets and one medium base downlight socket for extra light output.

Shown in english bronze / oatmeal
