Soma Wall Sconce By Livex Lighting

Description

Inspired by skyscraper design, the Soma Wall Sconce features a sleek hand-welded rectangular shade made of steel with a decorative slit. Most finish options have a two-tone effect, with the interior finished in Shiny White (Brushed Nickel, Polished Chrome, Satin Brass exterior) or Gold (Textured Black exterior). This contemporary sconce can be installed facing up or down and is the perfect touch of urban style for hallways, bathrooms, and living rooms.
