Cornet Pendant

By Umage

Description

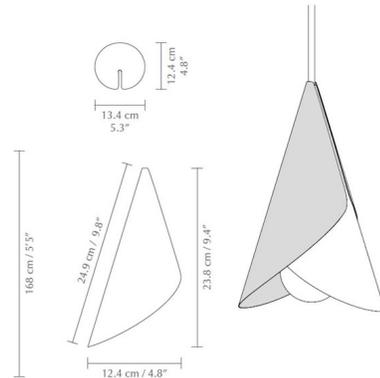

The Cornet Pendant, designed in Denmark by Jacob Johan Wurtzen, is a flexible lampshade made of two separate panels that can be switched around to give you the look and light you desire. Light can be controlled and adjusted sideways by rotating the two screens, to illuminate specific points of your space. Available in Black and Brass or White and Brass shades with a White or Black cord and canopy (hardwired) or plug-in. Plug-in option includes shade, socket assembly, 10 foot cord and plug. NOTE: This is a discontinued model and limited to quantity on hand.
