Clover Chandelier

By Wonderglass

 $\epsilon$ 

## Description

The Clover Chandelier is formed of carefully hand-crafted semi-opaque Pulegoso glass balls and cast glass petals. Inspired by Mahdavi's obsession with flowers, the glass medium perfectly captures their fragility, whilst retaining Mahdavi's iconic style. The stylised, almost cartoon-like flower shapes are a homage to the artist's childhood heroes in pop culture. Limited edition, only 8 units exist. Canopy diameter 5 inches. Comes with 13 feet of cable to customize length. CE listed.

Shown in black / green
