Abacus Floor to Ceiling Plug-In LED Lamp By Hubbardton Forge

Description

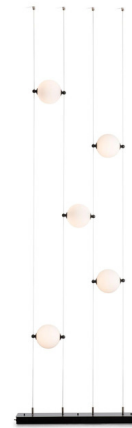

The extraordinary Abacus Floor to Ceiling Plug-In LED Lamp, true to its namesake, allows for exceptional customization. Its five blown glass globes can be moved up and down their low-voltage cable rails using tiny grippers on each side that allow the globes to be positioned at will. With ceiling anchors for stability, the Abacus Floor lamp can be plugged in to any grounded 3-prong outlet. Five globes are included, however, each lamp supports up to fourteen total globes. Additional globes are available and sold separately. Overall height is adjustable from 30 to 240 inches. Slope ceiling adaptable. On/Off toggle switch on base. Lifetime Limited Warranty when installed in residential setting. Handcrafted to order by skilled artisans in Vermont, USA.
