Galuchat Table Lamp By Melogranoblu

Description

The Galuchat Table Lamp features a transparent hand-blown glass shade with an opaque anthracite metal painted frame. The precious handwork made it possible to obtain an irregular texture reminiscent of the manufacturing of shark-tanned leather, also called galuchat from the name of its first user, Jean-Claude Galuchat, a French craftsman at the service of King Louis XV. Made in Italy.

Shown in dark grey / clear
