# Acorn Glass Pendant Shade

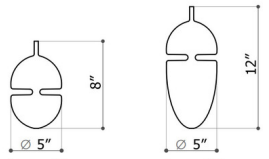

By Melogranoblu

## Description

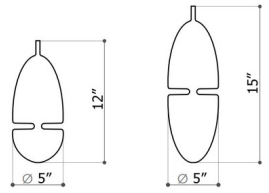

Part of the Hydra Collection, the Acorn Pendant lives with a simplicity dancing between design and applied art. Available with Clear or Frosted ruled blown glass and a choice of four shapes. Each pendant includes one metallic mesh cord in a variety of hues. The glass pendant itself is not illuminated. An illuminated multi-port canopy or recessed lighting system is required for illumination, sold separately. Acorn suspensions look most striking when placed in a group. Handmade in Italy.
