Berry Glass Pendant Shade

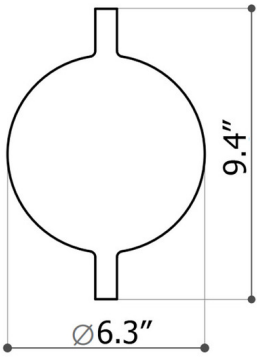

By Melogranoblu

Description

Part of the Hydra Collection, the Berry Pendant lives with a simplicity dancing between design and applied art. Available with a Clear or Metallic handblown glass shade and a metallic mesh cord in a variety of hues. The glass pendant itself is not illuminated. An illuminated multi-port canopy, inner light element, or recessed lighting system is required for illumination, sold separately. With Berry it is possible to create countless light configurations suitable for all architectural interiors. Berry suspensions look most striking when placed in a group. Handmade in Italy.
