Lhasa Glass Pendant Shade

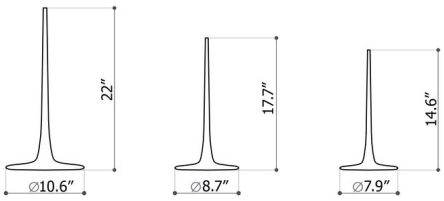

By Melogranoblu

Description

Part of the Hydra Collection, the Lhasa Pendant lives with a simplicity dancing between design and applied art. Available with a Frosted or Clear ruled handblown glass shade and a metallic mesh cord in a variety of hues. Choice of three different pendant sizes. The glass pendant itself is not illuminated. An illuminated multi-port canopy or recessed lighting system is required for illumination, sold separately. With Lhasa it is possible to create countless light configurations suitable for all architectural interiors. Lhasa suspensions look most striking when placed in a group. Handmade in Italy.
