Organic Glass Pendant Shade

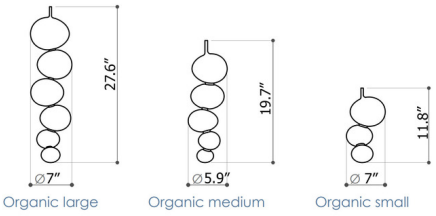

By Melogranoblu

Description

Part of the Hydra Collection, the Organic Suspension dismantles the principles of symmetry and regularity that represent the collection's essence. Available in three sizes of handblown Clear or Metallic glass. Each pendant includes a metallic mesh cord in a variety of hues. The glass pendant itself is not illuminated. An illuminated multi-port canopy or recessed lighting system is required for illumination, sold separately. With Organic it is possible to create countless light configurations suitable for all architectural interiors. Organic suspensions look most striking when placed in a group. Handmade in Italy.
