Delta Glass Pendant Shade

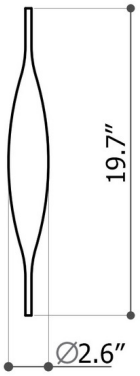

By Melogranoblu

Description

Part of the Hydra Collection, the Delta Pendant lives with a simplicity dancing between design and applied art. Available with a Frosted handblown glass shade and a metallic mesh cord in variety of hues.The glass pendant itself is not illuminated. An illuminated multi-port canopy, inner light element, or recessed lighting system is required for illumination, sold separately. With Delta it is possible to create countless light configurations suitable for all architectural interiors. Delta suspensions look most striking when placed in a group. Handmade in Italy.
